# BINGE बिंगे नगरी

where Binge is culture & Chaos is vibe...

An official at the Disney organisation once said, "Before you can educate, you must entertain." In the 1970s, the term "edutainment" gained prominence when educators began combining entertainment to engage learners and enhance their learning. Thinking creatively and on the same lines, All-IHMCT has adopted "Binge नगरी" as the celebration theme for its annual inter-collegiate event Magn 2025.

Creatively written with a combination of \*English + Devanagari, Binge नगरी" is a creative theme blending "BINGE" (binge-watching & eating for fun) with "नगरी" (city or town), suggesting a place where people come to relish their indulgent obsessions, especially movies, web-series, pop culture, food, games, etc.

This theme is an invitation for all to breathe, pause, indulge, and experience the tranquillity of life. It's a celebration of youth that's characterised by chaos, colours, creativity, curiosity, or swipe-up scrolls. Binge नगरी is your arena, promising to offer something for everyone.

**Everyone?**

Visitor, participant, stroller, scroller, drooler.... Binge नगरी extravaganza has something for someone and everything for everyone....

# BINGE नगरी

where Binge is culture & Chaos is vibe...

**Expert or amateur, big or small... AII-IHMCT invites everyone to come and participate in a kaleidoscope of events that will shape at Binge नगरी. The arena of full throttle events ranges from hospitality related events, cultural events, sports, music, indoor - outdoor games & more...**

**Just get it going at Binge नगरी. Want to soothe your heavily pumped-up competitive nerves?**

**Then pause, indulge, and experience the tranquillity of life curated at Binge नगरी, where colours, creativity, and curiosity will calm you down. Coming for mere indulgence? Then get drenched in the chaos of Binge नगरी, comprising cuisine, indoor sports, creativity with colours, or Call of Duty...**
